

Nominations for the 2005 Montgomery County Most Endangered Historic Sites List

Deadline: Postmarked by April 15, 2005

The 2005 Most Endangered Historic Sites in Montgomery County List will be publicly announced in early June 2005 at the location of one the endangered sites.

Sites are judged by a committee of professionals with expertise in the areas of historic preservation, history, cultural arts, planning, and historic architecture.

For more information, contact the 2005 Endangered Historic Sites Committee Chair: Shelby Spillers at sspillers@rockvillemd.gov (preferred) or 240-314-8234.

Instructions

1. Nomination form (next page) must be typed or legibly printed, submitted on time, and include all information requested.
2. Description of the endangered site should include the following:
 - Significance of the site, which may refer to the historical, architectural, cultural, or archeological significance to the County or locality
 - Reason for endangerment
 - Description of the preservation efforts to date, please be specific
 - Support materials including photographs, drawings, plan, published articles or other material. Support materials will be returned if desired, but photocopies will suffice
3. Nominee or owner will be contacted to arrange a site visit during April and May 2005
4. Submit one copy of completed nomination form, postmarked by April 15, 2005 to:
