MONTGOMERY PRESERVATION (MPI) formed in 1984 to preserve, protect, and promote our architectural heritage and historic landscapes for future generations. MPI rescued and restored the Silver Spring B&O Railroad and invites the public there for Open Houses, special events, and rentals. Soon the station will be a favorite stop on the new Metropolitan Branch Hiker-Biker trail.

MPI has sponsored the County Preservation Awards for 33 years. The 2020 Awards Movie may be viewed through the link on www.montgomerypreservation.org
